WHAT IS **GOLDLOK** VODKA?

Luxury has a new definition: **Goldlok Vodka**

Created by nightclub impresario, Lok Nguyen, Goldlok has raised the bar for vodka. Nguyen traveled the world for more than a year in search of the perfect ingredients, the perfect formulation and the perfect bottle.

All for the pursuit of perfect pleasure.

The smooth taste of Goldlok vodka starts with organic Brazilian sugarcane which is distilled five times and filtered using a proprietary method. To further enhance its character, Goldlok borrows methods from California's top wine makers to mellow out and soften the spirit. The result is a delicious spirit that's ready to sip, make into sophisticated cocktails and everything in between.

There are no additives. Just pure sugar cane, clean water, oxygen and time.

Luxury is defined by the very best of everything.
